WELCOME

Hello, students and parents. Welcome to MYP Theatre Arts. This will be an interesting and challenging year, but I also hope it will be a meaningful and safe one. Much will be new to us. In MYP Theatre Arts, we will use performance, design, analysis, and theatre history to think critically about the human condition, develop empathy, and cultivate an artistic aesthetic.

THE POWER OF I

Students who score below 60% on tests have the option to review and retest twice per quarter. Students must schedule a retest within five school days.

GRADING

I will follow the district's uniform grading policy.

Quarter Grading Scale	Semester Grading Scale	Yearly Grading Scale
Tests/Projects: 45%	Quarter 1: 45%	Semester 1: 50%
Quizzes/Labs: 30%	Quarter 2: 45%	Semester 2: 50%
CW/HW: 25%	Semester Exam: 10%	

CONTACT

Please contact me with any questions, or schedule a conference through guidance. We are all in this together, and I want the best for every student. I think Humankind has not yet discovered a better way to share the human experience than theatre. I hope you come to enjoy it as much as I do.

For full credit, students must turn in assignments on time. I suggest that students complete classwork immediately, and work incrementally on long-term assignments. Students should be prepared to turn in work when it is due. Grades for late work will be reduced five points after it is due, and will continue to drop by five points each day thereafter. Students must turn in work no later than 5 days after it is due to receive partial credit, per F1S policy. Students who have been absent should take responsibility for their assignments—first by checking Google Classroom, and if necessary, the late work folder.
