Dear Parents and Families of Savannah Grove Elementary,

As you know, Savannah Grove is a special place. We boast of great students and wonderful staff. A big part of what makes Savannah Grove a wonderful place is the involvement of parents with school activities. We welcome parents as volunteers and are thankful to have active involved families. According to the policy of FSD1, we are required to have parent volunteers fill out a SLED form, as well as the School Volunteer Information Form. This will help us to create a volunteer registry. This applies to all types of volunteer situations within our school. Please fill out the application as soon as possible.

We would like to use this as an opportunity to establish a group of volunteers who we can contact to help us with general duties. Please see attached form for the list of duties. If you are willing to help with these duties, please fill out the application.

We value your time here at Savannah Grove Elementary and thank you for your willingness to help our staff.

Your time is appreciated!

Sincerely,

David Copeland, Principal
Savannah Grove Elementary
