

# PowerSchool Parent Single Sign-On

## Creating Your New PowerSchool Parent Account

This feature allows parents to use one login/password to access all children's information. All parents must create a new account for the 2012-13 school year.

In order to create your new account, you will need your login/password from the 2011-12 school year (Access ID/Password) for each child. If you do not have this information please contact your child's school directly. Parents new to FSD1 must have Access ID/Password issued by the school for each child.

Go to the PowerSchool parent login page: <https://powerschool.fsd1.org/public> or use the "PowerSchool Parent Access" link on the FSD1 home page ([www.fsd1.org](http://www.fsd1.org).)
