

Florence 1 Schools introduces new college and career-ready interface

Students in Florence 1 Schools have a new way to track their progress in high school and lay out their college and career goals. SchoolLinks is a college and career readiness platform built for the 21st Century student. With SchoolLinks, students are able to explore their interests, find what colleges and careers are the best fit for them and create a personal plan for graduation and beyond. This program is available for 9th-12th grade students in all Florence 1 High Schools and their parents. All of the SchoolLinks features are designed to be user-friendly and engaging, helping students prepare for college, career and life in a way that feels relevant to them. Using virtual reality, students can even take a tour of over 500 colleges and universities without leaving home.

Using SchoolLinks, high school students and parents can:

- Explore 2-year and 4-year colleges
- Learn about options for financial aid
- Find internship and volunteer opportunities
- Explore a career in a variety of military fields
- Create digital portfolios / resumes
- Communicate with counselors

Using SchoolLinks, 12th graders will be able to:

- Track college applications and request transcripts
- Request Letters of Recommendation

Students can login by clicking [here](#), using your district email address and password. Then select the SchoolLinks Logo.

Parent logins will be sent in an email. If you believe that the district does not have an email address for you, please click [here](#).

A SchoolLinks Parent Information Night will be held Wednesday, Oct. 24th from 5:30-7:30 p.m. in the Poynor Auditorium, 301 S Dargan Street. All parents and high school students are invited to learn more about SchoolLinks.

For more information contact Maggie Gause with Student Support Services at 843-673-1109.
