COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

Establishing excellent school-home communication is important to us. We communicate regularly with families through weekly newsletters, monthly activity calendars, our website, social media, Powerschool Parent, Home Connect, and Blackboard. We also host quarterly parent engagement activities.

Community Involvement

We celebrate active community partnerships with General Electric, Francis Marion University Professors and Interns, and Coker University Interns, as well as the West Florence Teacher Cadets and the West Florence Athletic Readers. We work with area companies to host a quarterly STEM outreach event for students.

To keep families involved, we host Muffins for Moms, Donuts for Dads, and Greetings for Grandparents.

To give back to our community, we support the Florence Area Humane Society, Jump Rope for Heart, Manna House Donations, Good News Club, and have numerous outreach connections with local churches for faith-based mentoring.
