

McLaurin Elementary  
1400 McMillan Lane  
Florence, SC 29506

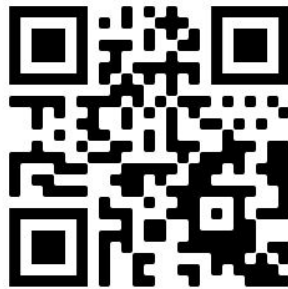

**McLaurin Elementary School  
Montessori Program  
is now accepting applications for the  
2021-2022 school year.**

Montessori is an educational philosophy and methodology that supports student-centered teaching and learning. Through this hands-on, discovery approach to learning, students work at a flexible pace and experience a high rate of success. Classes are multi-aged and foster cooperation vs. competition. Respect for others and the environment, and responsibility for one's own learning are cornerstones of the Montessori philosophy. Space is limited. Below you will find a link for online pre-registration. Actual District Online Enrollment will need to take place after acceptance into McLaurin's Montessori Program.

**Apply Now: Use the link below or QR code to fill out the application**
