DAY CARE TRANSPORTATION REQUEST

Date: \_\_\_\_\_

School Year: \_\_\_\_\_

To Whom it May Concern:

I am requesting permission for Florence One Schools Transportation to transport my child

\_\_\_\_\_ to afterschool day care, which is located at:

\_\_\_\_\_. I understand this may be allowed only if the day care is on the assigned bus route and there is seating space available. I also understand this allowance may be temporary due to the regular school bus route modifications during the school year. As the parent/guardian, I have also advised the day care of the SC Code of Laws listed below and the day care facility will always have an employee at the bus stop to act as the parent and take responsibility of the children. I understand should the day care not have an employee at the stop, this allowance may be discontinued immediately. This request expires at the end of each school year.

Please See South Carolina Code of Laws:

SECTION 59-67-415. Parental responsibility for safe and timely arrival of children to and from bus stop.

Parents or guardians are responsible for the safety, conduct, and the timely arrival of their children to, from, and at the designated school bus stop before the arrival of the school bus for pick up and transport to school and the timely departure of the children after the school bus leaves the designated school bus stop after transporting the children from school. For purposes of this section, the phrase "arrival of the school bus" includes the time that the school bus assigned to the school bus stop activates the required pedestrian safety devices, stops, and loads or unloads students until the school bus deactivates all pedestrian safety devices.
