A Peek at Our Week

Reading- Biography Genre

Use index, headings, bullets, and captions to locate key facts and information; explain the relationship between these features and the text. Compare and contrast topics, ideas, or concepts across texts in a thematic, author, or genre study heard, read, or viewed.

Math- Chapter 11- Choose centimeters or meters to measure and explain the length of an object, Compare the lengths of objects

Writing- Autobiography- Write informative texts that introduce a topic, use facts and definitions to develop points, and provide a concluding statement or section.

Plan, revise, and edit, focusing on a topic while building on personal ideas and the ideas of others to strengthen writing.

Science/SS- Analyze and interpret data from observations and measurements to describe the properties used to classify matter as a solid or a liquid.

Examine the purpose of currency and how income, savings, and spending are parts of a budget.
