

### Weekly Band Practice Record (100 Points)

Student Name \_\_\_\_\_ Month/Day \_\_\_\_\_ through \_\_\_\_\_  
First and Last Monday Sunday

Record the number of minutes you practice each day\* (even zero) and the total number of minutes for the entire week. To earn an A, students must practice a *minimum of 270 minutes per week*, or 45 minutes a day for 6 days. Forms must be filled in completely, signed by parents, and are due each Monday **during class**. This is your band “homework”, an important part of your grade. 100 points are awarded if turned in on time with at least the minimum number of required minutes. Points are subtracted for fewer minutes or late assignments. If you’re in multiple ensembles please don’t forget to list practice items for these ensembles. Parents please hold your student accountable for quality practice as this is the only way our ensemble grows. Students will be assessed off the items listed on their practice records.
